Stephen -

What an absolutely marvelous job you did in delivering the Martin Luther King, Jr. speech, "I Have a Dream"! Everyone was thoroughly impressed with your voice, tone and delivery. Your participation was clearly a high point for the entire Black History celebration! You were truly a hit!! Thank you for your splendid performance!

Please know how much I appreciate your professionalism in all that you do! You always do an excellent job for WFNC! May God bless you always. Sincerely, Mike
